

Roofing Superintendent (Tualatin, OR)

Columbia Roofing and Sheet Metal is seeking a Superintendent to oversee team performance, quality and safety standards for our roofing projects.

Essential job duties and responsibilities include but are not limited to...

- Supervise field staff and oversee staff performance.
- Perform performance evaluations and address performance issues.
- Partner with Roofing Project Manager to ensure customer expectations and project milestones are met.
- Visit job sites daily and be responsible for job outcomes, productivity and overall project performance.
- Interface directly with customers at project sites to ensure customer satisfaction and resolve/prevent project issues.
- Conduct safety meetings on a regular basis, inspect equipment to ensure safety standards are met and maintains SDS.
- Track and monitor project progress and communicate status regularly with management.
- Train all employees on roofing procedures and best practices.
- Implement improved roofing processes to generate higher ROI and workflow optimization
- Maintain fleet vehicles and monitor usage.
- Perform inspections of completed jobs to ensure quality standards are met.
- Other duties as assigned.

Preferred Knowledge, Skills and Abilities:

- 5+ years of Commercial Roofing and Sheet Metal Industry Experience and knowledge of all types of low/steep slope roof systems.
- Ability to manage multiple teams in multiple locations.
- Leadership experience with roofing teams, excellent problem solving and team building ability.
- Exemplary team work attitude and collaborative work style.
- Professional customer service manner and relationship building skills.
- Excellent driving record and own car for travel to client sites and materials vendors as needed.
- Must possess ability to lift 75 lbs. while climbing up and down ladders from roof.

- Must possess ability to perform continuous physical activity including climbing, balancing, stooping, kneeling, crouching, crawling, reaching, standing, walking, pushing, pulling, lifting, fingering, and grasping.
- Must possess ability to perform work in inclement work conditions, including exerting 75+lbs. of force occasionally and 20+lbs of force constantly to move objects.
- Must pass pre-employment background check and drug test and random drug screening.

Columbia Roofing and Sheet Metal is an equal opportunity employer and promotes a drug-free workplace. We offer a competitive benefits package, salary, and career path for roofing professionals. Salary DOQ. To apply, send your resume and cover letter to: hr@reroofnow.com for consideration.
