

## Commercial Foreperson – Roofing / Construction (Tualatin, OR)

Columbia Roofing & Sheet Metal is an industry leader with over 20 years' experience. We are seeking a Commercial Roofing Foreperson to join our talented and growing team of roofing professionals. We are a tight-knit and supportive work culture looking for individuals who are motivated and thrive in a team environment.

We offer competitive pay with project bonus potential, health insurance, a competitive retirement package, and a supportive and safe work culture. Employee referral bonus for additional crew members.

### **Preferred Knowledge, Skills and Abilities:**

- 2 + years of experience supervising and training a roofing crew
- 3-5 + years commercial flat roofing experience installing and deconstructing various roofing systems
- Ability to track down and fix leaks in BUR, single ply, and various flat and metal roof systems
- Ability to perform detailed roof installation techniques to manufacturer's specifications
- Ability to use various equipment, including ladders, heat guns, automatic welders, screw guns, roof warriors and roof saws
- Ability to use various roofing tools including hammers, tape measures, screw drivers, tin snips, utility knives, roof hatchet nail guns crowbars, pliers, whole saws, seam probes, hand brakes, and crescent wrenches
- Ability and willingness to learn and train others with new technical skills
- Good decision making skills and judgment, collaborative and motivating team leader
- Ability to perform continuous physical labor including frequently climbing ladders, grasping and handling various equipment, tools and materials, ability to push, pull, carry, and lift up to 75 lbs.
- Ability to work flexible schedule for mostly local project sites, very infrequent overnight travel
- Good driving record and valid driver's license

Columbia Roofing & Sheet Metal encourages a drug free work place.

**Applicant must pass Drug Screen and Background check.**

**Position may require some evenings, weekends and overtime.**
